

# OUR SERVICES

Your health, our priority. Compassionate care, innovative solutions—because your well-being is the heart of our mission.

**PRESENTATION 2025**

# About Us

Incorporated in 2019, ProCare Health Services Ltd was founded to provide high-quality healthcare solutions in Mauritius., founded by Divia Deesha Gungah, who worked in the UK, won the People's Choice Award for three consecutive years for her excellence in patient care.

Bringing her international expertise, she established the company to offer reliable medical testing, expatriate work permit medicals, and corporate wellness programs. With a focus on accuracy, efficiency, and patient-centered care, ProCare Health Services Ltd continues to set new standards in the healthcare industry.
